

### **Addendum 3: Request for Proposals for Transit General Technical Assistance Consulting On-Call Services**

CARTA is providing the following updates to potential proposers:

1. CARTA will accept electronic submittals of price proposals as long as they are in a separate document from the rest of the proposal and clearly named. CARTA will provide confirmation that proposals have been received electronically.
2. Curriculum development is anticipated as a task under the People – Training category.
3. Project Management is anticipated as a task under Construction category.
4. Safety Training is anticipated as a task under the Safety category
5. For section C, the page limit of 5 pages will be for each category that a proposer is submitting for.
6. Evaluation criteria have been updated as follows:
  - a. Qualifications/Experience of prime consultant with projects of similar type and size (50 points)
  - b. Indication of sufficient staff for all facets of proposed work (20 percent)
  - c. Consultant's experience with individual categories/tasks that a proposal is submitted for (30 points)
7. CARTA anticipates awarding one prime consultant contract for each category/grouping of tasks. Consultants can be awarded up to 3 categories. DBE subconsultants can be listed as to be determined if not known at this time. Awarded consultants should address DBE subconsultants when a task order request is issued.
